

Your Smart Key Exchange Solution

Anytime, Anywhere!

BlueBox Mini : Smart , Secure Key Management Made Easy

Key Features:

1. Smart & Secure Key Access

Share access to your keys remotely with family, friends, contractors, or employees using the BlueBox Mini Platform. All access is secure, tracked, and time-limited for your peace of mind.

2. Easy Set-up & Use

Set up your BlueBox Mini in minutes! Attach it to a secure location, add your keys, and manage access from our dashboard.

3. 24/7 Remote Access

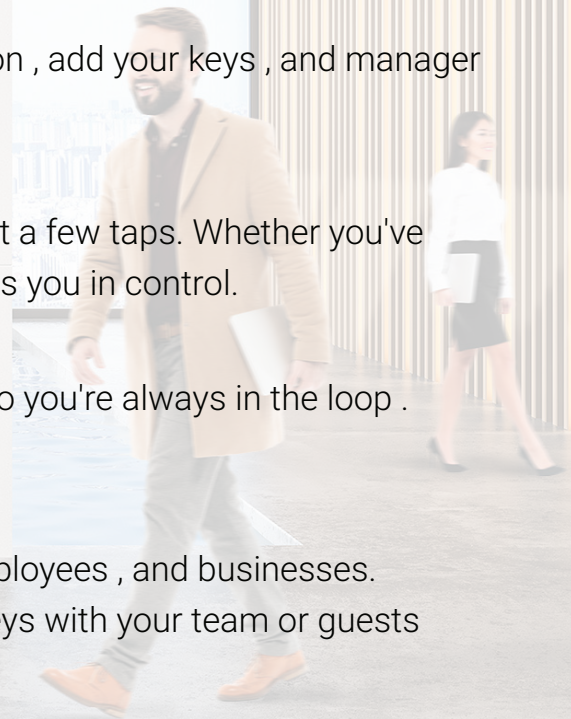

Grant or revoke access to your keys anytime, anywhere, with just a few taps. Whether you're halfway around the world or across the street, BlueBox Mini keeps you in control.

4. Real-time Notifications

Receive instant alerts whenever someone accesses your keys, so you're always in the loop. Monitor who accessed the box and when for full accountability.

5. Multiple User Access

Ideal for property managers, real estate agents, contractors, employees, and businesses. BlueBox Mini lets you manage multiple users with ease. Share keys with your team or guests without the need for physical handovers.

How it works?

- 1. Install the BlueBox Mini:** Securely attach it to your chosen location
- 2. Add your keys:** Place your tagged keys in the BlueBox Mini
- 3. Access Control:** Manage access for who needs keys from the BlueBox Mini Dashboard
- 4. Monitor & Control:** Track when keys are used and by whom, with real-time notifications.
